**Thank you for showing interest in volunteering at Barber Motorsports Park. We have added two more events to the calendar this year and 2009 promises to be the most exciting year the Park has experienced. Zoom Motorsports and Barber Motorsports Park could not host these events without the hard work of the Volunteer Team. If you are interested in being a member of the 2009 Volunteer Team please review the following information and send in your application as soon as you can. Although we cannot guarantee a specific position in shifts, all requests will be considered. Positions are filled on a first come, first serve basis. After a shift is full you must be willing to fit in wherever we feel you would be of most benefit to the overall organization of the Volunteer Team. There are many benefits to being a volunteer. Although it's not free, we think you will find the value heavily outweighs the cost.**
